

Communications Update

- 1. To identify and recruit a communications working party by July 2017. I have invited all regional leads, with minimal response. Other identified members of this are IPT-UK deputy chair and IPT-UK admin Jess.
- 2. To survey members' thoughts on website via poll by Oct 2017. To liaise with IPT-UK administrator to achieve this. Possibly leading to YP led/ professional upgrade.

Meeting has been held with Jess. Due to combine this survey with the larger one.

- 3. To ensure Twitter access for communications working party by Oct 2017. To Tweet at a rate of at least once per week.
A little less than once a week, but much more than previously!
