## IPTUK Administration

- Jess (left) returned from her internship in Russia at the end of September. She will be continuing to run IPTUK on a daily basis
- Rachael (right) will be assisting Jess, producing the newsletter and ensuring member's registrations are up to date and allocating membership numbers

York 2019 Marie & Jane felt the goals for the next 6 months ought to include;

- *Solid Foundations*
- *Promoting Growth*
- *Innovative ideas*
- *New branches*
  
- *Here is an update*

| Goal              | Action  | Outcome   |
|-------------------|---|---|
| Solid Foundations | Established Admin & Resources available<br><br>Existing data base required Updating & Back up                 | Additional admin employed to provide a total of 22.5 hours pw.<br>Back up secured via Green Cloud Hosting cloud-based back up in line with GDPR requirements. |
| <b>New Goal</b>   | Data cleansing, establish current membership and introduce Official Membership Numbers                        |   |
| Promoting Growth  | Devised a map that provided a baseline of regional activity & highlighted opportunities                       | Assisted, supported and implemented a new region- Cardiff. Currently looking to set 1 up in North Wales.  |
| <b>New Goal</b>   | Explore opportunities to align IPT UK with another Professional Body.   |   |
| Innovative Ideas  | To improve the interpersonal links between regions that helps the members to feel more inclusive and informed | Quarterly News letter, to pool information that can inform members what has been happening, what is new & future events, both local and UK wide.              |
| <b>New Goal</b>   | To encourage members to engage with the newsletter as a platform for communication.                           |   |
| New Branches      | Assisting NON IAPT services & making links with Wales, Scotland and Ireland                                   | Created/established links and working parties - Forum   |
