

TC Chair presentation

12.5.17

Job description

- Scheduling and chairing quarterly training committee meetings
- Clearly communicating the guidelines and standards agreed by the training committee to the IPTUK membership
- Ensuring training guidelines and standards on the IPTUK website are up to date and accurate
- Co-ordinating and monitoring the review and assessment of trainers' accreditation
- Monitoring compliance of training organisations with IPTUK regulations
- Responding to individual submissions to the training committee promptly and in accordance with training committee decisions and IPTUK standards and guidelines

Initial step

- Find out what TC member/IPT-UK members issues are and take into account for prioritising direction/goals

TC Chair suggested objectives for the first six months

- Draw up terms of reference for the committee
- Develop a more detailed general training standards and guidelines document/s
- Develop some principles/guidelines for reviewing submissions to the training committee (e.g. define extenuating circumstances)

Suggested future directions

- Document/develop the process for monitoring compliance of training organisations with IPT-UK requirements.
- Address issue of heterogeneity in the way the IPT model is applied, trained and the audios are rated.
